

## **FICHE TECHNIQUE**

Self portrait camouflage / Latifa Laâbissi

-The space is constituted by a 5m x 3m screen and by a 12 x 5m ground, both in "laquefolie"

-we are asking for having a nude stage when we arrive

-We imperatively need the most deep black as possible for the show

-In some case, a gauge limitation can be asked

### **Stage**

-7 praticable scenery (5 height: 40 ; 2 height: 20)

-1 black danse carpet all over the stage (depend on the ground), added to the equivalent of 12 x 5m danse carpet, to put our installation

-1 border, about 1,50m, all over the stage's width

### **Light (may be modified, depends on the place)**

-60 pars cp 61, which 56 of them must be the same

-16 dec type 614

-30 pc 1000

-12 cycliodes

-1 5 kw

-60 ch including 1 5 kw ch

Carreful: 28 lines on the floor, middle of stage left

Gelatines: 201,114

### **Sound:**

1 well balanced frontage

1 speaker on the stage left ground, put on a 50cm (or about 50cm) cube.

2 speakers above the public

2 cd readers with "auto pause"

1 intercom 3 ? set
